That was sad news that you gave me on Oct. 7 about the passing of a wonderful man and tremendous tuba player, Arnold.

I went to church to attend a weekly bible class after you called and I really was not in the class. At the end of the lesson I volunteered to close the class with a prayer. I prayed for my dear colleague and his wife and broke down in the middle with tears and a ~~shaky~~ shaky voice. It was a bit embarrassing but I remembered that Jesus cried also.

I look forward to playing again with Arnold ~~again~~ in heaven, should I make it!

kindest regards,

Ed Kleinhammer

Thank you for all you did for Arnold!
